**The Camrose Early Years Centre
for Children & Families**

Safer Recruitment Policy

Adopted by Camrose Governing Body on:

September 2021

INTRODUCTION

The safe recruitment of staff in schools is the first step to safeguarding and promoting the welfare of children in education. Carmose Early Years Centre is committed to safeguarding and promoting the welfare of all children in its care. As an employer, the school expects all staff and volunteers to share this commitment.

AIMS AND OBJECTIVES

The aims of the Safer Recruitment policy is to help deter, reject or identify people who might abuse children or are otherwise unsuited to working with them by having appropriate procedures for appointing staff.

The aims of the School's recruitment policy are as follows:

- to ensure that the best possible staff are recruited on the basis of their merits, abilities and suitability for the position;
- to ensure that all job applicants are considered equally and consistently;
- to ensure that no job applicant is treated unfairly on any grounds including race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age;
- to ensure compliance with all relevant legislation, recommendations and guidance including the statutory guidance published by the Department for Education (DfE), Keeping Children Safe in Education - September 2021 (KCSIE), the Prevent Duty Guidance for England and Wales 2015 (the **Prevent Duty Guidance**) and any guidance or code of practice published by the Disclosure and Barring Service (DBS);
- to ensure that the School meets its commitment to safeguarding and promoting the welfare of children and young people by carrying out all necessary pre-employment checks.

Employees involved in the recruitment and selection of staff are responsible for familiarising themselves with and complying with the provisions of this policy.

The School has a principle of open competition in its approach to recruitment and will seek to recruit the best applicant for the job. The recruitment and selection process should ensure the identification of the person best suited to the job at the school based on the applicant's abilities, qualification, experience and merit as measured against the job description and person specification.

The recruitment and selection of staff will be conducted in a professional, timely and responsive manner and in compliance with current employment legislation, and relevant safeguarding legislation and statutory guidance (including KCSIE 2021 and Prevent Duty Guidance) and Inspecting Safeguarding in the Early Years, Education and Skills 2021)

If a member of staff involved in the recruitment process has a close personal or familial relationship with an applicant they must declare it as soon as they are aware of the individual's application and avoid any involvement in the recruitment and selection decision-making process.

The school aims to operate this procedure consistently and thoroughly while obtaining, collating, analysing and evaluating information from and about applicants applying for job vacancies at the Nursery Schools.

ROLES AND RESPONSIBILITIES

It is the responsibility of the governing body to:

- Ensure the school has effective policies and procedures in place for recruitment of all staff and volunteers in accordance with DfE guidance and legal requirements.
- Monitor the school's compliance with them.

It is the responsibility of the Head teacher, Bursar and other Managers involved in recruitment to:

- Ensure that the school operates safe recruitment procedures and makes sure all appropriate checks are carried out on all staff and volunteers who work at the school.
- To monitor contractors' and agencies' compliance with this document.

- Promote welfare of children and young people at every stage of the procedure.
- The governing body has delegated responsibility to the Headteacher (teaching staff) and Bursar (support staff) to lead in all appointments. School governors may be involved in staff appointments but the final decision will rest with the Head teacher.

Definition of Regulated Activity and Frequency

Any position undertaken at, or on behalf of the School will amount to "regulated activity" if it is carried out:

- frequently, meaning once a week or more; or
- satisfies the "period condition", meaning four times or more in a 30-day period; and
- provides the opportunity for contact with children.

Roles which are carried out on an unpaid/voluntary basis will only amount to regulated activity if, in addition to the above, they are carried out on an unsupervised basis.

The School is not permitted to check the Children's Barred List unless an individual will be engaging in "regulated activity". The School is required to carry out an enhanced DBS check for all staff, supply, volunteers,

staff and governors who will be engaging in regulated activity. However, the School can also carry out an enhanced DBS check on a person who would be carrying out regulated activity but for the fact that they do not carry out their duties frequently enough i.e. roles which would amount to regulated activity if carried out more frequently.

RECRUITMENT AND SELECTION PROCEDURE

Advertising

To ensure equality of opportunity, the school will advertise all vacant posts to encourage as wide a field of applicant as possible, normally this entails an external advertisement.

Any advertisement will make clear the school's commitment to safeguarding and promoting the welfare of children.

All documentation relating to applicants will be treated confidentially in accordance with the Data Protection Act (DPA).

Application Forms

The Local Authority application form is used and all applicants for employment will be required to complete an application form containing questions about their academic and full employment history and their suitability for the role (in addition all applicants are required to account for any gaps or discrepancies in employment history). Applicants submitting an incomplete application form will not be shortlisted.

The application form will include the applicant's declaration regarding convictions and working with children, and will make it clear that the post is exempt from the provisions of the Rehabilitation of Offenders Act 1974. CVs will not be accepted.

It is unlawful for the School to employ anyone who is barred from working with children. It is a criminal offence for any person who is barred from working with children to apply for a position at the School. All applicants will be made aware that providing false information is an offence and could result in the application being rejected, or summary dismissal if the applicant has been selected, and referral to the police and/or the DBS.

Job Descriptions and Person Specifications

A job description is a key document in the recruitment process, and must be finalised prior to taking any other steps in the process. It will clearly and accurately set out the duties and responsibilities of the job role. The person specification is of equal importance and informs the selection decision. It details the skills, experience, abilities and expertise that are required to do the job. The person specification will include a specific reference to suitability to work with children.

References

References for short-listed applicants will be sent for immediately after short-listing.

All offers of employment will be subject to the receipt of a minimum of two references which are considered satisfactory by the School. One of the references must be from the applicant's current or most recent employer. If the current/most recent employment does/did not involve work with children, then the second reference should be from the employer with whom the applicant most recently worked with children. The referee should not be a relative. References will always be sought and obtained directly from the referee and their purpose is to provide objective and factual information to support appointment decisions.

All referees will be asked whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children. Please note that no questions will be asked about health or medical fitness prior to any offer of employment being made.

Any discrepancies or anomalies will be followed up. Direct contact by phone will be undertaken with each referee to verify the reference.

The School does not accept open references, testimonials or references from relatives.

Interviews

There will be a face-to-face interview wherever possible, and a minimum of two interviewers will see the applicants for the vacant position. The interview process will explore the applicant's ability to carry out the job description and meet the person specification. It will enable the panel to explore any anomalies or gaps which have been identified in order to satisfy themselves that the chosen applicant can meet the safeguarding criteria (in line with Safer Recruitment Training).

Any information in regard to past disciplinary action or allegations, cautions or convictions will be discussed and considered in the circumstance of the individual case during the interview process, if it has been disclosed on the application form.

At least one member of any interviewing panel will have undertaken safer recruitment training or refresher training as applicable.

All applicants who are invited to an interview will be required to bring evidence of their identity, address and qualifications. Original documents will only be accepted and photocopies will be taken.

Unsuccessful applicant documents will be destroyed 6 months after the recruitment programme.

OFFER OF APPOINTMENT AND NEW EMPLOYEE PROCESS

In accordance with the recommendations set out in KCSIE and the requirements of the Education the School carries out a number of pre-employment checks in respect of all prospective employees.

If it is decided to make an offer of employment following the **formal interview**, any such offer will be conditional on the following:

- the agreement of a mutually acceptable start date and the signing of a contract incorporating the School's standard terms and conditions of employment;
- verification of the applicant's identity (if not previously been verified);
- the receipt of two references (one of which must be from the applicant's most recent employer) which the School considers to be satisfactory;
- for positions which involve "teaching work":
- the School being satisfied that the applicant is not, and has never been, the subject of a sanction, restriction or prohibition issued by the Teaching Regulation Agency (formerly National College for Teaching and Leadership), or any predecessor or successor body, or by a regulator of the teaching profession in any other European Economic Area country which prevents the applicant working at the School or which, in the School's opinion, renders the applicant unsuitable to work at the School; and
- the School being satisfied that the applicant is not, and has never been, the subject of any proceedings before a professional conduct panel or equivalent body in the UK or any other country

for any reason which prevents the applicant working at the School or which, in the School's opinion, renders the applicant unsuitable to work at the School;

- confirmation that the applicant is not named on the Children's Barred List;
- verification of the applicant's medical fitness for the role;
- verification of the applicant's right to work in the UK;
- any further checks which are necessary as a result of the applicant having lived or worked outside of the UK; and
- verification of professional qualifications which the School deems a requirement for the post, or which the applicant otherwise cites in support of their application (where not previously verified).

A personal file checklist will be used to track and audit paperwork obtained in accordance with Safer Recruitment Training. The checklist will be retained on personal files.

The Rehabilitation of Offenders Act 1974

The Rehabilitation of Offenders Act 1974 does not apply to positions which involve working with, or having access to children. Therefore, any convictions and cautions that would normally be considered 'SPENT' **must be** declared when applying for any position at Camrose Early Years Centre

DBS (Disclosure and Barring Service) Check (formerly known as CRB Disclosure)

The School applies for an enhanced disclosure from the DBS and a check of the Children's Barred List (now known as an Enhanced Check for Regulated Activity) in respect of all positions at the School which amount to "regulated activity" as defined in the Safeguarding Vulnerable Groups Act 2006 (as amended).

The purpose of carrying out an Enhanced Check for Regulated Activity is to identify whether an applicant is barred from working with children by inclusion on the Children's Barred List and to obtain other relevant suitability information.

It is the School's policy that the DBS disclosure **must be** obtained before the commencement of employment of **any** new employee.

The School is required to carry out an enhanced DBS check for all staff, supply staff, volunteers and governors who will be engaging in regulated activity. However, the School can also carry out an enhanced DBS check on a person who would

be carrying out regulated activity but for the fact that they do not carry out their duties frequently enough i.e. roles which would amount to regulated activity if carried out more frequently.

It is the School's policy to re-check employees' DBS Certificates every three years when the School will sign up the employee to the DBS update service.

Members of staff at Camrose Early Years Centre are aware of their obligation to inform the Bursar or the head teacher of any cautions or convictions that arise between these checks taking place.

DBS checks will still be requested for applicants with recent periods of overseas residence and those with little or no previous UK residence.

Portability of DBS Certificates Checks

The School will begin to sign up to the update Service for a fee of £13 per annum.

The School will:

- Obtain consent from the applicant to carry out an update search.
- Confirm the Certificate matches the individual's identity.
- Examine the original certificate to ensure that it is for the appropriate workforce and level of check, ie enhanced certificate/enhanced including barred list information.

The Update check would identify and advise whether there has been any change to the information recorded, since the initial Certificate was issued. Applicants will be able to see a full list of those organisations that have carried out a status check on their account.

Secretary of State Prohibition Orders (Teaching & Management roles)

In all cases where an applicant is to undertake a teaching role of any kind, a Prohibition Order check will be made using the Employer Access Online Service. It is anticipated that this will be performed at offer stage. A person who is prohibited from teaching must not be appointed to work as a teacher in such a setting. Prohibition orders are made by the Secretary of State following consideration by a professional conduct panel convened by the National College for Teaching and Leadership (NCTL). Pending such consideration, the Secretary of State may issue an interim prohibition order if it is considered to be in the public interest to do so.

A person who is prohibited is unable to participate, as a governor on any governing body A check for a section 128 direction will be carried out using the Teacher Services' system. Where the person will be engaging in regulated activity, a DBS barred list check will also identify any section 128 direction.

Proof of identity, Right to Work in the UK & Verification of Qualifications and/or professional status.

All applicants invited to attend an interview at the school will be required to bring their identification documentation such as passport, birth certificate, driving licence etc. with them as proof of identity/eligibility to work in UK in accordance with the Immigration, Asylum and Nationality Act 2006 and DBS identity checking guidelines. The School does not discriminate on the grounds of age.

Where an applicant claims to have changed their name by deed poll or any other means (eg marriage, adoption, statutory declaration) they will be required to provide documentary evidence of the change. In addition, applicants must be able to demonstrate that they have actually obtained any academic or vocational qualification legally required for the position and claimed in their application form.

Medical Fitness

The School is legally required to verify the medical fitness of anyone to be appointed to a post at the School, **after** an offer of employment has been made but **before** the appointment can be confirmed.

All applicants are requested to complete a medical questionnaire and where appropriate a doctor's medical report may be required. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role.

The School is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, obtaining medical evidence and considering reasonable adjustments.

Overseas checks

The School, in accordance with the UK Visas and Immigration (UKVI) will, if applicable, sponsor new foreign nationals (see Certificate of Sponsorship section).

In addition, applicants who have lived/travelled abroad for more than 3 months will need to obtain a criminal records check from the relevant country. The applicant will not be permitted to commence work until the overseas information has been received and is considered satisfactory by the School.

Induction Programme

All new employees will be given an induction programme which will clearly identify the school policies and procedures, including the Child Protection Policy, safeguarding training, the Code of Conduct, and KCSIE, and make clear the expectations which will govern how staff carry out their roles and responsibilities.

Single Centralised Register of Members of Staff

In addition to the various staff records kept in school and on individual personnel files, a single centralised record of recruitment and vetting checks is kept.

This is kept up-to-date and retained by the School Business Manager at Croyland Nursery School. The Single Centralised Register will contain details of the following:-

- All employees who are employed to work at the schools;
- all employees who are employed as supply staff to the school whether employed directly or through an agency;

- all others who have been chosen by the school to work in regular contact with children. This will cover volunteers, governors, agency staff.

A designated Governor will be responsible for auditing the Single Centralised Register and reporting his/her findings to the full Governing Body during the Summer Term meeting.

Record Retention/Data Protection

The School is legally required to undertake the above pre-employment checks. Therefore, if an applicant is successful in their application, the School will retain on their personnel file any relevant information provided as part of the application process. This will include copies of documents used to verify identity, right to work in the UK, medical fitness and qualifications. Medical information may be used to help the School to discharge its obligations as an employer, eg so that the School may consider reasonable adjustments if an employee suffers from a disability or to assist with any other workplace issue. This documentation will be retained by the School for the duration of the successful applicant's employment with the School. All information retained on employees is kept centrally in the admin offices locked in secure cupboards.

The same policy applies to any suitability information obtained about volunteers involved with School activities.

Camrose Early Years Centre will confidentially destroy all unsuccessful interview documentation (ie shredded).

Ongoing Employment

Camrose Early Years Centre recognises that safer recruitment and selection is not just about the start of employment, but should be part of a larger policy framework for all staff. The school will therefore provide ongoing training and support for all staff, as identified through the Annual Review/appraisal procedure.

Contractors and agency staff

Contractors engaged by the School must complete the same checks for their employees that the School is required to complete for its staff. The School requires confirmation that these checks have been completed before employees of the Contractor can commence work at the School. DBS details are recorded on the SCR and a declaration form is completed to ensure all contractors and visitors have read and understood the safeguarding procedures for the school.

Agencies who supply staff to the School must also complete the pre-employment checks which the School would otherwise complete for its staff. Again, the School requires confirmation that these checks have been completed before an individual can commence work at the School.

The School will independently verify the identity of staff supplied by contractors or an agency in and will require the provision of the DBS number before contractors or agency staff can commence work at the School.

Visitors

The Prevent Duty Guidance requires the School to have clear protocols for ensuring that any visitors, whether invited by staff or by children, are suitable and appropriately supervised.

The School is not permitted to obtain a DBS disclosure or Children's Barred List information on any visiting speaker who does not engage in regulated activity at the School or perform any other regular duties for or on behalf of the School.

All visitors will be subject to the School's usual visitors signing in protocol

Policy. This will include signing in and out at Reception, the wearing of a visitor's badge at all times and being escorted by a fully vetted member of staff between appointments. They will also be expected to sign the declaration form that they have read and understood the Schools Safeguarding procedures.

The School will also obtain such formal or informal background information about a visitor as is reasonable in the circumstances to decide whether to invite and/or permit a speaker to attend the School. In doing so, the School will always have regard to the Prevent Duty Guidance and the definition of "extremism" set out in KCSIE which states: "*Extremism* ' is vocal or active opposition to fundamental British values, including

democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas. Terrorist groups very often draw on extremist ideas developed by extremist organisations."

In fulfilling its Prevent Duty obligations the School does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age.

Volunteers

The School will request an enhanced DBS disclosure and Children's Barred List information on all volunteers undertaking regulated activity with children at or on behalf of the School (the definition of regulated activity set out above will be applied to all volunteers).

Under no circumstances will the School permit an unchecked volunteer to have unsupervised contact with children.

It is the School's policy that a new DBS certificate is required for volunteers who will engage in regulated activity but who have not been involved in any activities with the School for three consecutive months or more. Those volunteers who are likely to be involved in activities with the School on a regular basis may be required to sign up to the DBS update service as this permits the School to obtain up to date criminal records information without delay prior to each new activity in which a volunteer participates.

In addition the School will seek to obtain such further suitability information about a volunteer as it considers appropriate in the circumstances. This may include (but is not limited to the following):

- formal or informal information provided by staff, parents and other volunteers;
- character references from the volunteer's place of work or any other relevant source; and
- an informal safer recruitment interview.
